MEMORANDUM FOR: Mr. Michael Lambert
General Accounting Office

SUBJECT : GAO Requests for Studies

file GAO

1. Attached are copies of the studies you requested at our meeting on 19 September. The unclassified INR version of the EIC R14 study you will note is for 1972. The 1973 study has not yet been published.

2. The study, "The Employment Impact of Multi-national Corporations," listed in your request is not a CIA product. I believe you will find it to be the result of an external research contract sponsored by the Department of Labor.

3. I would like to follow the same ground rules agreed to for the East-West study; namely, that the classified reports will be returned to this Agency after you have finished with them and that we will have an opportunity to review your report for any use of classified materials or references to the Agency.
